Marisol and Dan!

I hope you're both well. Marisol, this is address of the property I was talking to you about. I think it's been slated as a site that was supposed to be come a "bill-pay" center for DWP. But I think that's not happening anymore. In any case, it's a small parcel that's an empty lot right now.

Anyway, it might be an interesting project for a pocket park, but may need some sort of council support (we can talk about it). I feel that there might be community energy for it already.

Anyway, hit me up. Let me know if your team wants to pursue and maybe we can workshop how to make it happen!

Best,
Ryan
